CHECK LIST:

- 1) Insure that a correct count of all targets shot is made. Total should equal total targets shot as reported on NSSA Registered Shoot Official Target Report.
- 2) Include State copy of NSSA Registered Shoot Official Target Report with this FINANCIAL REPORT.
- 3) Include duplicate receipts of new or renewal membership applications.
- 4) Insure that each participant in a registered shoot is in fact a current paid up member of OSSA by checking current membership card. OSSA memberships expire at the end of target year, December 31. The Board of Directors voted at their September, 1998 meeting to hold clubs liable for participants dues if they are permitted to shoot without a current membership.
- 5) Insure that your check is made out to OSSA, signed and the amount is correct.
- 6) Mail all financial reports by the 15th day following the shoot to:
